TITLE	PLANNED END OF SALE DATE, SAFENSOUND STANDARD AND PROFESSIONAL
NUMBER	077-0669-00 Rev. A
DATE	11 APRIL 2024

1 Purpose

This Customer Service Notice advises customers that SafeNSound Standard and Professional will not be available for sale after June 28, 2024.

2 Background Information

The Spacelabs Healthcare SafeNSound Standard and Professional are not available for sale after June 28, 2024. Spacelabs will continue to support these versions of SafeNSound for customers that are on an existing SafeNSound Professional or Standard Contract, for the duration of the contract. After the contract has ended please reach out to your local Spacelabs Executive to plan a switch to the SafeNSound Enterprise Cloud Platform.

Accordingly, the following part numbers will be withdrawn beginning June 28, 2024:
